Cancún, México

Seventh International Caribbean Conference on DEVICES, CIRCUITS and SYSTEMS

Hotel Presidente Intercontinental, 28-30 April 2008, Cancún, México

ORGANIZERS AND SPONSORS

- *INAOE, México
- *Freescale Semiconductors, USA
- *Synopsys, USA
- *ISTEC, USA
- *IBM, USA

TECHNICAL CO-SPONSORS

- *IEEE
- *Electron Devices Society
- *Circuit and Systems Society

CALL FOR PAPERS

Prospective authors are invited to submit unpublished research findings of relevance, to be reviewed by the Technical Program Committee, and to be presented orally during the conference. Papers should deal with new results, relevant ideas or innovations that advance the state-of-the-art in the areas of the Technical Program. Topics may span from basic theory to industrial applications, research, development, design, technology and applications of electron devices, analysis, design, and practical implementation of circuits, and their application to systems, alternative energy sources and systems. Submissions of novel instructional methodologies in the conference thematic areas are also encouraged. The Conference official language is English.

TECHNICAL AREAS

The areas of interest include, but are not limited to:

- Solid State Electronics
- Circuit Design
- Digital Signal Processing
- Solid State Circuits
- Power Electronics
- Telecommunications
- Instrumentation & Control
- Reliability, Testing and Quality
- Nanoelectronics
- Green Energy

MANUSCRIPTS

Submit original, full manuscripts, following the Paper Format provided in "Instructions for Authors". These should be sent as an e-mail attachment in pdf format, including a cover message indicating the preferred Technical Area and corresponding author's address. Papers will be peer-reviewed by the Technical Program Committee. **General guidelines** for manuscript preparation can be found by linking to the web page titled "Instructions for Authors" at the Conference's web site.

Papers will be published in the official **Conference Proceedings**, which will be distributed to participants in CD format at the conference, and later distributed online through IEEE's Xplore:

(<http://ieeexplore.ieee.org/Xplore/guesthome.jsp>).

SUBMISSION DEADLINE

JANUARY 18, 2008

CONFERENCE LOCATION

The conference will be held at Cancún's Presidente Intercontinental Hotel—known as "The Best Beach in Cancún", and one of the most beautiful beaches in the world according to "Discovery Channel Magazine".

Cancún is one of the leading resort areas in the state of Quintana Roo, and is serviced by all major airlines. Please make your reservations in advance, since hotel occupancy in Cancún is generally high.

Special-rate hotel accommodations have been arranged with the hotel for participants and their companions. Please contact:

Technical Program Chair:

Carlos dos Reis, UNICAMP

Technical Program Co-Chair:

Jacobus W. Swart, CenPRA

Publications Chair:

Eugenio García, UIB

Publications Co-Chair:

Rodrigo Picos, UIB

Local Arrangements Chair:

Arturo Sarmiento, INAOE

International Committee Chair:

Fabio Pintchovski, KLA-Tencor

Latin America Relations Chair:

Victor Grimblatt, Synopsys

Asia Pacific Relations Chair:

Peter Wu, National Chiao Tung University

European Relations Chair:

Tor A. Fjeldly, Nor. Univ. Science & Tech.

Finance and Global Arrangements Chair:

Roberto Murphy, INAOE

Finance Co-Chair:

Wilfrido Moreno, USF

Registration Chair:

Slavica Malobabic, UCF

Web Support Chair:

Carlos Piemonti, UCF

Digital Signal Processing Vice-Chair:

Martin Buchholz, Elektrotechnik

Goebenstrasse-Saarbrücken

Solid State Electronics Vice-Chair:

Sonia Ben Dhia, INSA

Circuit Design Vice-Chair:

Gabriel A. Rincón-Mora, Georgia Tech

Reliability, Testing and Quality Vice-Chair:

Fernando Guarín, IBM

Telecommunications Vice-Chair:

Uwe Kraus, Univ. Wuppertal

Instrumentation and Control Vice-Chair:

Igor Alvarado, National Instruments

Circuit and System CAD Vice-Chair:

Arturo Sarmiento, INAOE

Power Electronics Vice-Chair:

Krishna Shenai, U. of Toledo (USA)

Green Energy Vice-Chair:

Darnley Fritsch, Green Vector

Industrial Relations Vice-Chair:

Yaniré Rodríguez, Sun Microsystems
